Weekly Report Highlights

Budget

- We will hold a Comptroller's meeting on Wednesday, 22 January, to review the status of the 1986 program and the effect of Gramm-Rudman on our 1986 and 1987 programs.
- The Executive Director's final decisions on the 1987 program are in the components' hands. The IC Staff has also provided guidance on how Gramm-Rudman is to be reflected in the 1987 Congressional Budget Justification Books, which are due to Congress on 5 February.

Analysis

-- The DDI, NIO/SP, and D/SOVA briefed Secretary Weinberger on the implications of the Soviet economic plan for Soviet defense spending. The main message was that while the Soviets have embarked on a major industrial modernization program, they will continue along the course of steady growth in defense expenditures that has marked recent years.

25X1

-- D/OGI met with several policy officials on international economic issues and Agency support to them:

SECRET

25X1

SECRET

25X1

25X1

-- EURA provided Deputy Secretary Whitehead with another typescript on West European responses to the US call for sanctions against Libya before he left on his nine-nation trip, and OGI supplied him with analyses of Libyan support for terrorism (particularly financial help involving US banks), links with radical Palestinians, and dependence on foreign oil companies. NESAs provided a daily situation report to the NSC staff on reactions to the administration's new Libya sanctions, a written brief to Deputy Presidential Assistant Fortier on Libyan tactics toward Europe, and a typescript to Under Secretary Armacost on the impact the sanctions are having on the Libyan civil air fleet.

25X1

-- There were 3 briefings on the Hill this past week.

Administrative

- [REDACTED]
- The DI Product Evaluation Staff has begun work on a study of past external analysis efforts in an effort to help the Directorate better target external analysis funds during the coming period of financial austerity. [REDACTED]
  - The Office of Logistics reports that the Centex construction crew celebrated the placement of the last major piece of structural steel in the South Tower of the New Building on Monday, 13 January. A large American flag and traditional evergreen tree were hoisted into place with the steel. The brief ceremony, complete with an Indian chant and dance, was covered by an OL photographer.
  - A preconstruction meeting for Bid Package #4 of the New Building Program was held at the GSA construction trailer on the Headquarters compound on Monday, 13 January. Bid Package #4 covers the two new Security Control Centers, one at the Route 123 entrance and one at the George Washington Parkway entrance, as well as the concrete and asphalt work associated with road and parking lot repaving on the compound. 17 January 1986

MEMORANDUM FOR: Director of Central Intelligence

FROM: Richard J. Kerr  
Deputy Director for Administration

SUBJECT: Weekly Report for Period Ending 17 January 1986

1. Progress reports on tasks assigned by the DCI/DDCI:

None.

2. Items/events of interest:

a. The Office of Logistics (OL) reports that the Centex construction crew celebrated the placement of the last major piece of structural steel in the South Tower of the New Building on Monday, 13 January. A large American flag and traditional evergreen tree were hoisted into place with the steel. The brief ceremony, complete with an Indian chant and dance, was covered by an OL photographer.

b. A preconstruction meeting for Bid Package #4 of the New Building Program was held at the General Services Administration (GSA) construction trailer on the Headquarters compound on Monday, 13 January. Bid Package #4 covers the two new Security Control Centers, one at the Route 123 entrance and one at the George Washington Parkway entrance, as well as the concrete and asphalt work associated with road and parking lot repaving on the compound.

25X1

c. OL assisted the Historical Intelligence Collection Staff in preparing an exhibit commemorating the 5th anniversary of the release of the American hostages in Iran. Ambassador Bruce Laingen, American charge d'affaires during that period, loaned many personal items to the exhibit. The exhibit can be viewed at the Headquarters Library during the month of January.

OFFICE OF THE COMPTROLLER

WEEKLY REPORT FOR THE DCI

17 January 1986

1986

- We will hold a Comptroller's Meeting on Wednesday, 22 January, to review the status of the 1986 program and the effect of Gramm-Rudman on our 1986 and 1987 programs.

1987

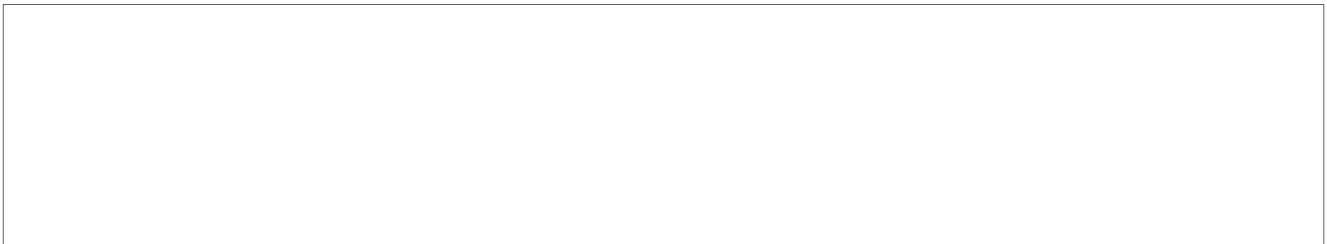

- The Executive Director's final decisions on the 1987 program are in the components' hands. The IC Staff has also provided guidance on how Gramm-Rudman is to be reflected in the 1987 Congressional Budget Justification Books, which are due to Congress on 5 February.

1988

- The Comptroller's office is holding separate meetings with the budget and planning officers from each directorate to discuss and review the 1988 Program and Budget Call Instructions which were issued in early January. These meetings also give us the opportunity to explain the impact of Gramm-Rudman and the status of the unallocated Defense reduction.
